LOUIS, Sept. 29-Cleveland gained another lap on Chicago in the struggle for the American league championship today by winning from St. Louis, 10 to 2, and making a clean sweep of the four game serles.

The victory puts the Indians a game and a half ahead of the White Sox and in a position to clinch the pennant by winning three more contests. Today's game was a virtual walk-away for Cleveland. Weilman, who was knocked out of the box by Cleveland Sunday, started again and in addition to being hit freely, issued five passes, finally leaving the game after the seventh inning with the visitors holding a five run lead.

Vangilder, who succeeded him, was also wild, and made two errors that allowed three more runs to score. Coveleskie was master of the situation, keeping the hits well scattered and would have had a shut out but for the errors by Gardner and Sewell. Speaker, Wood and O'Neill led the attack for the visitors, the latter's double in the first inning driving over two runs and sending Cleveland off ahead.

Billy McCann is a handsome youth, at least the sporting editor has formed such an opinion after giving Mickey Farrell the once over. "Camels are the very quintessence of cigarettes" said this party. Pete, get that word? It fits - it spreads the news - it spills the whole Camel story! and, if you don't get what I'm driving to you, look up the word in Webster's! Why, Uncle Dan put it there when he dreamed Camels were coming! That man slipped into one word: mellow-wild-body, no cigaretty aftertaste, no cigaretty odor -

Pete, why do you hear men of all types everywhere actually boosting Camels? That's because they know Camels are right! They Know from Camels flavor that Camels have the quality= and—they know that Camels blend of choice Turkish and choice Domestic tobaccos makes the most delightful cigarette any man ever put between his lips!
